

DLH FG 8 H32 L170 V2A GALCU (204 957)

| Type<br>Part No.                              | DLH FG 8 H32 L170 V2A GALCU<br>204 957                 |
|-----------------------------------------------|--------------------------------------------------------|
| Type of roof conductor holder                 | FLEXIlgrip                                             |
| Material of roof conductor holder             | StSt                                                   |
| Length of brace                               | 170 mm                                                 |
| Height of conductor holder (h1)               | 32 mm                                                  |
| Material of conductor holder                  | Cu                                                     |
| Conductor support Rd                          | 8 mm                                                   |
| Type of conductor holder                      | DEHNgrip                                               |
| Female thread                                 | M6                                                     |
| Type of roofing                               | interlocking tiles                                     |
| Conductor routing                             | loose                                                  |
| Fixing possibility                            | for hooking at interlocking tiles, with flexible brace |
| Standard                                      | EN 62561-4                                             |
| Weight                                        | 55 g                                                   |
| Customs tariff number (Comb. Nomenclature EU) | 85389099                                               |
| GTIN                                          | 4013364129269                                          |
| PU                                            | 50 pc(s)                                               |
