

DG MOD 600 (952 016)

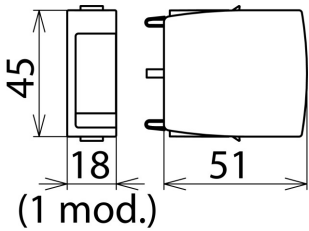

- High discharge capacity due to heavy-duty zinc oxide varistors / spark gaps
- Easy replacement of protection modules without tools due to module locking system with module release button
- The plug-in protection module can be replaced without switching off the mains voltage and without removing the distribution board cover

Dimension drawing DG MOD 600

Varistor-based protection module for DEHNguard M ... and DEHNguard S ... surge arresters.

| Type                                                       | DG MOD 600    |
|------------------------------------------------------------|---------------|
| Part No.                                                   | 952 016       |
| Nominal discharge current (8/20 μs) (I <sub>n</sub> )      | 15 kA         |
| Max. discharge current (8/20 μs) (I <sub>max</sub> )       | 30 kA         |
| Max. continuous operating voltage (a.c.) (U <sub>c</sub> ) | 600 V         |
| Weight                                                     | 64 g          |
| Customs tariff number (Comb. Nomenclature EU)              | 85363030      |
| GTIN                                                       | 4013364109810 |
| PU                                                         | 1 pc(s)       |
